2022 Suzuki Genuine Marine Parts and Accessories

SYNCREYE

"SYNCRE-EYE" is a comprehensive system Suzuki has developed which "connects" various devices so that they may work together in synchronization.

This innovative system will also improve the control technology of the boat by "sensing" various situations surrounding the boat and be compatible with future technology.

Suzuki Precision Control (S.P.C) **NEW**

Get the ultimate boating experience with the all new Suzuki Precision Control for Drive-by-wire system.

Controls up to 6 engines, features sleek new designs and more for better user convenience and smooth operation.

ECSTAR

SUZUKI GENUINE OIL

In the 1980's, SUZUKI started developing lubricants in pursuit of ultimate performance. The lubricant was named "Ecstar" as it is our guiding "Star" towards an "Ecstatic" performance. In 2015, ECSTAR started as the global brand name of SUZUKI Genuine Oil and Chemical. ECSTAR is a premium oil formulated specifically for Suzuki engines, offering high performance, outstanding engine protection, better fuel economy, and other benefits. Choose ECSTAR to give the ultimate care for your trusty Suzuki engine.

ADVANTAGE OF ECSTAR

Fuel Savings

The Genuine Formulation provide the high performance and help to improve fuel economy.

Outstanding Engine Protection

The innovative lubricating technology achieves thermal stability, which contribute to the ultimate engine protection even when starting engine in cold climates.

Clean Engine for Longer Life

Cleaning performance helps to prolong the engine life.

Applicability and availability vary between model and region.
